80                                      <strong>A.I is here, and we love every bit of it!<
     /strong> We've been paying attention to A.I every since the release of Chat GPT, and
     while most have seen the recent craze as a problem for the job market we've been
     taking advantage of every program. We have been able to improve not only our video
     production, but also our overall productivity thanks to different A.I programs and
     we look forward to seeing where the future with this technology takes us.

    however we have adjusted quite well. For those who do not know we have moved back
    home to the islands of The Bahamas. While we did enjoy our time spent in the United
    States. We were blessed with an oppruunity to return home and exapand our buisness.
    While we will miss all of the friends we've made, we know <strong>this is not the
    last we will see of them!</strong> Until then we will be focusing on the stories of
    the creatives and buisness of the beautifull islands of the Bahamas.
